

Junw 20, 2020 GHA seed fund list

When requesting seeds from Mel Grice, if you do not give him your snail mail address, you will **NOT** receive any seeds. GHA is not certain of your address unless you tell Mel what it is each and every time you order seeds.

Mel Grice <melsgrice@gmail.com>

Because there is usually a big rush for ordering seeds when the **CrossWords** newsletter is sent, you must give at least 10 substitutions. Often Mel receives a couple dozen seeds from one cross, so supplies could be limited.

Keep in mind that the request limit is five (5) packets each time **CrossWords** is mailed. Since GHA is absorbing the costs of mailing, please make no more than 3 requests a year with a maximum of 5 packets (but send 10 substitute requests per time).

MS 18-01 *Sinningia* 'Butter and Cream' x self or with *tubiflora* (Open pollinated)

Jay Sespico, USA

JS 17-01 *Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Pedra Lisa' — This hybrid yielded large reds, blues, and pinks that usually peloric and of good flower size. Many had spots.

JS 17-02 *Sinningia speciosa* 'Sentsational Pepperpot' × *Sinningia speciosa* 'Pedra Lisa' — In this cross S. 'Pedra Lisa' proved dominant. I got many combinations of lavender and white nodding flowers, some with 6 petals and some were pleasantly fragrant.

JS 17-03 S. 'Rock Royalty' × (*Sinningia speciosa* 'Sentsational Pepperpot' × *Sinningia speciosa* 'Thad's Gas Planet') — I got many clear red and dark purple flowers that had shallow throats and wide corollas and lighter throats. Incidentally, S. 'Rock Royalty' is a cross of (SPP × SPL). It is very dark purple with wavy petals.

JS 17-04 *Sinningia speciosa* 'Rock Presence' (a 6 lobed lavender) × *Sinningia speciosa* 'Bristol's Good Morning' — I am hoping for good sized red nodding flowers with fragrance.

JS 17-05 (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Pedra Lisa') × (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Pedra Lisa') — This is a sibling cross between a large white and a soft lavender seedling. They both had nodding flowers of good size and were slightly fragrant.

JS 17-06 (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Pedra Lisa') × (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Thad's Gas Planet') — This was a cross between a dark red and a 6 lobed blue flower. Hoping for a floriferous plant with red nodding flowers of good size.

JS 17-07 (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Thad's Gas Planet') × (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Pedra Lisa') — A light nodding lavender crossed onto a dark peloric red.

JS 17-08 (*Sinningia speciosa* 'Sentsational Pepperpot' × *Sinningia speciosa* 'Pedra Lisa') × (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Pedra Lisa') — I got a very compact seedling with great veining in the foliage and crossed it onto a large nodding white flower. I'm hoping for large white flowers on a compact plant with great foliage.

JS 17-09 (*Sinningia speciosa* 'Sentsational Pepperpot' × *Sinningia speciosa* 'Pedra Lisa') × (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Thad's Gas Planet') — I made this cross hoping for 6 lobed red nodding flowers with fragrance. The pollen parent was a large dark red crossed onto a 6 lobed lavender nodding flower.

JS 17-10 (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Thad's Gas Planet') × (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Pedra Lisa') — This cross has a large white nodding flower crossed onto a peloric red. I was hoping for red flowers with white on the outside.

JS 17-11 (*Sinningia speciosa* 'Sentsational Pepperpot' × *Sinningia speciosa* 'Pedra Lisa') × (*Sinningia speciosa* 'Sentsational Pepperpot' × *Sinningia speciosa* 'Thad's Gas Planet') — A peloric red onto a blue nodding flower that had a strong scent. I was hoping for a fragrant red.

JS 17-13 (*Sinningia speciosa* 'Bristol's Good Morning' × *Sinningia speciosa* 'Pedra Lisa') × Peloric White — I bought a commercially produced peloric white S. *speciosa* and crossed it onto a good red, hoping for some combination of red and white.

JS 17-15 *Damrongia orientalis* × self

JS 17-16 *Gesneria christii* × self

JS 17-17 *Sinningia cardinalis* (pink) × self

JS 17-19 *Sinningia gesneriifolia* × self

Rod Smith, USA

RS 06-01 *Streptocarpus fasciatus*

RS 06-02 *Sinningia guttata*

Eugene Sussli, USA

ES 05-01 *Streptocarpus* 'Royalty' x self (large 3 1/4" deep purple flowers. blooms profusely)

ES 05-02 *Streptocarpus* 'Susie Sunshine' x self (large 2 1/2" wine red flower, profuse bloomer)

Jaco Truter, South Africa

JT 04 18 Mixed seed from the seed that spilled into the big envelope! This should be fun!!!

Leong Tuck Lock, Malaysia

LTL 06-03 *Eucodonia* hybrids

LTL 06-04 *Episcia cupreata* mixed

LTL 07-03 *Microchirita involucreta*

LTL 08-01 *Episcia cupreata* - mixed hybrids

LTL 10-01 (*Sinningia aggregata* yellow form x *Sinningia sellovii*) x self

LTL 10-02 *Eucodonia* hybrid mix

LTL 19-01 *Sinningia araneosa* hybrid (S. *araneosa* x S. 'Mama Cat') x seedling of S. *sellovii* x S. *warmingii*

LTL 19-02 *Sinningia araneosa* hybrid (S. *araneosa* x S. 'Mama Cat') x seedling of (S. 'Mama Cat' x S. 'Butter and Cream')

LTL 19-03 *Sinningia* 'Mama Cat' x F2 seedling of S. *sellovii* x S. *warmingii*

LTL 19-04 *Sinningia* (S. *sellovii* x S. *warmingii* x S. 'Butter and Cream') seedling of S. *sellovii* x S. *warmingii*

LTL 19-05 *Episcia cupreata* mixed hybrids

LTL 19-06 *Sinningia* 'Mama Cat' x seedling of (S. 'Mama Cat' x S. 'Butter and Cream')

LTL 19-07 (*Sinningia sellovii* x S. *warmingii* seedling) x self. Seedling is darker red than others but this selfing produced a pink flower.

LTL 19-08 *Sinningia araneosa* hybrid (S. 'Mama Cat' x S. *araneosa*) x self

LTL 19-09 (*Sinningia* 'Butter and Cream' x S. 'Mama Cat') x self (open pollinated)

LTL 19-10 *Sinningia* 'Mama Cat' x self

LTL 19-11 *Eucodonia* mixed hybrids (open pollinated)

LTL 19-12 (*Sinningia sellovii* x S. *warmingii*) x (S. *araneosa* x S. 'Mama Cat')

LTL 19-13 (*Sinningia sellovii* x S. *warmingii*) x S. 'Mama Cat'

LTL 19-14 *Sinningia araneosa* hybrid x (S. *sellovii* x S. *warmingii*) F2

LTL 19-15 *Sinningia speciosa* hybrid - light background with lots of tiny lavender pink spots, nodding flowers

LTL 19-16 (*Sinningia sellovii* x S. *warmingii*) F2 x S. *araneosa* hybrid

LTL 19-17 *Sinningia* 'Butter and Cream' x (S. *sellovii* x S. *warmingii*)

LTL 19-19 (*Sinningia sellovii* x S. *warmingii*) x S. 'Butter and Cream' (open pollinated)

LTL 19-20 (*Sinningia* 'Butter and Cream' x S. 'Mama Cat') x self

NOTE: (1) S. 'Butter and Cream' came from a selfing.

(2) The S. *araneosa* hybrid comes from S. *araneosa* x 'Mama Cat'. I am only thinking the plant and leaves resemble that of S. 'Mama Cat'. The leaves are lighter in color compared to S. 'Mama Cat'. This is only a deduction and may not be accurate.

(3) *Sinningia* 'Mama Cat' is a S. *sellovi* hybrid that has dark reddish leaves with reddish flowers.

Susan Turner, New Zealand

ST 04-08 *Streptocarpus* large flowered pink hybrid x (S. *vandeleurii* x self)

Some further information from Susan: My *Streptocarpus candidus* has no violet markings. It is plain white with yellow throat markings and is honey scented. *Streptocarpus Ulysses* x Holiday Hybrid: My plant was grown from seed obtained from the GHA Seed List in 1989. The cross was made by Darrell Trout and I'm still growing one of the original plants. It has lavender flowers with attractive throat markings. It's different from anything else I grow.

Hank Ullman, USA
